

Dear Parents/Guardians:

You play a vital role in the success of your child's middle school experience. Elkins Pointe Middle School has received top ratings for school climate for the past several years. The state climate survey measures the "culture" of a school. Research substantiates that a sustainable, positive school climate is an essential element for academic success, career-skill improvement and overall quality of life.

We value our diversity and we need your help to ensure the interests of all families are represented as EPMS continues to deliver on its mission of empowering students for tomorrow's global society. Get involved and support us in identifying individuals to serve on the PTSA Board of Directors for Elkins Pointe Middle School for the upcoming school year.

It's easy!

1. Submit nominations using the attached Nomination Form by March 16, 2018.
2. Tell your friends and neighbors how they can get involved. We particularly need your help reaching out to those families that will be new to Elkins Pointe Middle in the upcoming school year (i.e. rising 6th graders)
